**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer that supports broadband competition! I've been using Sonic fiber in San Francisco for the last year and they have been the greatest internet provider i've ever had. Despite being a small firm (relative to the giants), they are cheaper and faster than my previous Comcast connection. All Americans need more competition and choice from providers like Sonic!

Best,
